Had Never Met Before.

They had just been introduced.

"Really," she said, timidly, "I have met you before."

"Impossible," he sighed. "If I ever met before I should either be a broken to you, married to you or dead."

"I have met you before," she said, "I have met you before."

"No wonder she asked him wouldn't like to wear her collar for awhile."

Bad breath, belching of gas and risings are all due to Indigestion.

Kid Dyspepsia Cure is a guaranty.

L. A. Soper, of Little Rock, writes us: "We feel that Kidol Dyspepsia Cure deserves all the commendation that can be given it, as it saved the life of our little girl when she was only two years old."

She is now six and we kept it for her constantly, but of late she only takes it now when and after she has been sick."

Kidol is the best medicine in the world for Indigestion, Dyspepsia and All Stomach troubles.

A trial of this greatest of all digestives will convince any who suffer.

For young or old. Sold by J. H. Williams.

He Didn't Take it Very Hard.

An old-fashioned minister was tending the last rites of a member of his church down in Tennessee, and praising the virtues of the deceased.

"I have met the bereaved husband and he said: 'My good brother, you have called upon to part with one of the best and loveliest of wives.'"

"Oh, no, son," said the husband, interrupting the minister, "not the best, but the best."
